

WINTER COACHING PACKAGE

Are you looking to improve your game over the winter months ready for next year?

We have a comprehensive package that will improve every part of your game!

The Package will include the following:

- ◆ *A game assessment where we discuss your game in detail and discuss areas for improvement*
- ◆ *Four x 45 minute Lessons for the price of three, working on your game and forming better habits*
- ◆ *An equipment check and a written report of my findings*
- ◆ *A 12 hole playing lesson on the course, dealing with course management, club selection and many more key areas*
- ◆ *A gapping session to determine all of your club yardage's, which come with a yardage chart for your reference*
- ◆ *Two x 45 minute scoring sessions where we will specifically work on short game in our new indoor short game area*
- ◆ *I will also include a bespoke practice guide to help ingrain the areas of your game that we have worked on*
