

15th September 2020

To all members & visitors,

We need your help to keep us open!

Due to the recent temporary closure of the Club due to a positive COVID-19 test and the new government guidelines and laws, we have taken additional measures to keep everyone safe whilst enjoying the course and the clubhouse.

Effective immediately, the following guidelines are to be adhered to by everyone:

- On entering any part of the clubhouse, hands **MUST** be sanitised, and regular hand washing should take place throughout your visit.
- It is strongly recommended to wear face coverings whilst entering, exiting and moving about the clubhouse, face coverings can be removed when seated.
- Tables and chairs **MUST** not be moved unless authorised by a member of staff, they have been specifically positioned in the lounge to allow for social distancing.
- It is highly recommended to book a table in advance should you wish to use the restaurant.
- The maximum booking in the restaurant will be for 6 persons at one table.
- 2 metres social distancing where possible in all areas when queuing and using the changing rooms and moving around the clubhouse.
- The one-way system and the bar queuing process to be respected at **ALL** times.
- If you are not registered on the BRS or have not pre booked, name, phone number and email address will be taken by the staff (this is now enforceable by law).
- If you are experiencing any symptoms of COVID-19 please refer to the government guidelines.
- Face covering **MUST** be worn in the Pro shop and only 1 person at a time permitted to enter.
- Please do not congregate in groups of 6+ around the putting green, 1st tee and when leaving the 18th.
- No access to kitchen, bar or office unless invited to do so **AND** with a face covering.
- Abuse of the staff will not be tolerated at any time.

In order to keep enjoying golf and the clubhouse everyone needs to adjust to this “new normal”, we have worked extremely hard to keep everyone safe within the government guidelines whilst still enabling you all to enjoy this great club, we must all stay vigilant at this important period.

If you have any concerns or questions regarding any of the above, please let me know.

Thank you all for your continued support, it is much appreciated.

Kind regards,

Nick Tedesco
Club Manager
